Dear Parents and Carers

After not having problems for some time, we are now again experiencing a deer problem on site.

When we had problems before, we took advice from a number of agencies, and unfortunately there is very little that we can do to address the problem, as they are usually getting onto the site through neighbours' gardens, and no one owns them as they are classed as wild animals.

We will be starting our morning patrols of the site again; however, they do sometimes still appear despite this.

Please be vigilant on the school grounds, and be calm; although not aggressive, it is when there is noise and disturbance that they tend to panic and run.

Yours Faithfully

Mrs Hardisty
